

JAMES SABATA

Short Bio - Please use for press, anthologies, interviews, and guest announcements, etc.

James Sabata is an award-winning horror author, produced screenwriter, and the founder/director of the **Spirited Giving** charity fundraiser. His former podcast, **TheNecronomi.Com**, garnered over one million downloads in its first three years. Each of his books has sold at least three copies (probably more, but he gets distracted easily and forgets to keep track). His upcoming feature film, **Fat Camp**, is currently in development with **Chef's Kiss Films** for a 2028 release.

Full Biography

James Sabata is an award-winning horror author, produced screenwriter, developmental editor, and script doctor. With nearly two decades in the dark genre space, James specializes in high-concept horror development. He is the author of several novellas, two novels, and two short story collections. He also co-writes the **Midnight Monster Madness** series with **Vincent V. Cava**, which is currently being adapted into an audio series narrated by **Mr.Creepypasta**.

Beyond the page, James is a veteran of the convention circuit, having appeared as a panelist at over 35 different conventions across the United States. He also serves as a private consultant and programmer for various national events, helping to shape the future of horror programming behind the scenes.

James is a dedicated advocate for the horror community and a firm believer in the power of collective impact. He is the co-editor of charity anthologies like **Shadows in the Stacks** (**Shortwave Publishing**) and is the Founder/Director of **Spirited Giving**, a horror-themed pop-up charity event designed to raise funds for local communities.

His former podcast, **TheNecronomi.Com**, garnered over one million downloads in its first three years. The show analyzed horror as social commentary and featured a wide array of industry guests exploring why the genre remains such a vital part of our culture.

Everything James does revolves around finding light in the dark. He believes that horror isn't just about the shadows, but the resilience of the humans who navigate them. James remains dedicated to helping others find their way through the darkest times, fictionally or otherwise.
